

Uploading to PhotoEntry

Whilst submitting images using PhotoEntry is intuitive the following steps may be of help until you become familiar with it.

1. Login to PhotoEntry at <https://compent.photoentry.uk/compent>
2. This will open at 'Main Menu'.
3. Select 'Competition Group' – either 'Training' or '2018-19' as required.
4. Select an appropriate 'Open' competition from within the group.
5. Click - 'Add New Entry.'
6. 'Entry Title' – type in the title of your entry.
7. Click - 'Add This Entry'.
8. Click - 'Choose JPEG' – browse to the folder containing your images.
9. Select an image and click Open.
10. Click - 'Upload Image' and the image will load in to PhotoEntry.
11. Once the image has uploaded check for warning messages – these are shown in orange. Make corrections to the image file if required and resubmit.
When all is well 'OK' will show in green.
12. If required, click 'Add New Entry' and repeat.
13. Click 'Show All Entries' to check your entries.
14. Logout when your entries are complete.
